

# South Carolina is Just Right for Made in the USA

Walmart has spent more than \$942 million  
with suppliers that call South Carolina home

It's no secret that South Carolina is a manufacturing powerhouse, and Walmart's commitment to spend \$250 billion on US-made products is helping to mold the nation's modern manufacturing era.

South Carolina

Just  right.

## South Carolina: Leading the Manufacturing Renaissance

*“Our collaborative approach to business development in SC means we’re with you every step of the way—from locating your site through hiring and training your workforce. We look forward to seeing you here, so you can experience the Team South Carolina difference.”*

Nikki R. Haley, Governor

### What makes SC Just Right for Made in the USA?

- **Pro-Business Environment** Favorable energy costs, low unionization and incentive options
- **Infrastructure** Easy reach to customers and suppliers through access to world-class port facilities—the deepest harbor in the region—connected to an inland network of interstate highways and rail lines
- **Workforce** Skilled, available workforce; top-ranked customized recruitment, screening and training program
- **Quality of Life** Unmatched hospitality, temperate year-round climate and tenaciously charming people
- **Available Properties** Searchable online inventory of existing buildings and certified sites

### New and Expanding Walmart Supplier Companies
